Forecast for Tuesday 17 Aug 2021

Weather: Predominantly overcast and grey with outbreaks of drizzle, these most likely later this afternoon and through this evening. Limited bright or sunny spells are possible early this afternoon across southeastern areas. Feeling very cool on hill tops with a fresh wind.

Chance of cloud free mountain/hill tops above 600m: 40% decreasing to less than 10% this evening.

Visibility: Very poor, particularly on north-western hills with cloud bases of around 400m throughout today. Occasionally temporarily improving this afternoon across the southeast as cloud bases break.

**Level above which ground is expected to be frozen/snow is expected to settle.*

Meteorologist's View

The weather will remain poor throughout today, hill fog will make for difficult navigating conditions therefore it is advisable to remain at lower levels if planning a day out.

Recent rainfall: measured at Neuadd: altitude 353m
